1. The portfolio's composition is subject to change without notice, is provided for informational purposes only, and should not be construed as a recommendation to buy or sell any security or as investment advice to participate in any strategy. Due to rounding, totals may not equal 100%. 2. The National Association of Insurance Commissioners Securities Valuation Office (NAIC SVO) has verified that the Fund meets the criteria specified by the NAIC to permit an insurer to report shares of the Fund as bond-like for certain state insurance regulatory purposes. The "Aaa" and "AAAm" money market fund ratings are historical and reflect the superior quality of the Fund's investments, sound liquidity management, and strong operations and trading support. Periodic reviews are conducted to ensure a secure operations environment. The ratings do not eliminate the risks associated with investing in the Fund. 3. Represents total assets of the Fund. 4. Charged annualized fiscal year to date expense ratio as of April 30, 2018. Annualized prospectus expense ratio as stated in the February 28, 2018 prospectus. 5. Orders are processed each day on which U.S. bond markets are open for trading. Website orders must be submitted 15 minutes earlier than the Fund's closing time. 6. The 7 day average yield is as of April 30, 2018. The 7 day non-subsidized yield is 1.36%. The current (7-day) yield more closely reflects the current earnings of the Fund than the total return quotation.
